CCS AUCTION

CCS AUCTION 2010

Friday, April 30th

Parents, we are still in need of baskets, containers or hard cardboard box bottoms to put together our auction items for display. We also will need some volunteers in the next couple weeks to help assemble these! If you have any ideas for collecting more items from businesses/employers, we are still in need to make this a successful auction to meet our fundraising goal.

Starting next week on April 15th students may wear shorts! (Weather permitting, of course!) Shorts must be knee length and follow our dress code. Capri's are also acceptable for girls. Pray for sunshine and warmth!☺
