Germ City Presentation - Next Wednesday

On Wednesday, Jan. 16th we will have Shelley here from University of Idaho for a presentation called Germ City. Some of you may remember this as we've had her here in the past. It is an awesome presentation of germs seen by black light, and lessons on how to properly wash germs off of us! Parents, you are welcome to stay for this if you'd like. It will take place directly after chapel next Wednesday.

Parents, now is the time to shop all the after-holiday clearance sales for auction items. Please keep your eyes open for great deals on anything that could create or be added to a basket! Thank you. ☺

Skate Plaza Field Trip coming up next month!
