All School Thanksgiving Lunch

Tomorrow, November 21, is the All School Thanksgiving lunch. This is a lunch prepared and donated by the PTO for the students, family, and staff. If you have not returned your form with the number of students and guests, please do so tomorrow morning so any necessary adjustments can be made. Currently **we are in need of people to help**. When you help prepare the meal, or help during the lunch, that time counts toward your participation hours. If you purchase food and donate it to the lunch, that will earn you ½ hour of participation time. When you donate food you have made from scratch, you will earn 1 Participation hour. **To receive this credit, you must return a completed Participation Hour Reporting Form to the school office.** Remember families will be billed January 29, if 5 participation hours have not been recorded.

If you included Thursday's Thanksgiving lunch in your lunch payment, you will have a lunch credit. The Thanksgiving meal is provided by the PTO.

Thank you to everyone who attended the Open House. We hope you were excited to see your children's progress and were able to spend a few moments with their teacher.
